RESIDENCE AND STUDIO:

1 and 3 MITCHESON AVENUE, - - - MONTREAL.

WITH great pleasure I avail myself of the opportunity of thanking my patrons for the kind patronage extended to me in the past, and I am highly gratified to feel that the artistic work of the many important and well-known buildings upon which I have been engaged has met with such satisfaction.

I may say that, as heretofore, no expense or pains will be spared by me in executing all Architectural work entrusted to my care, in the highest class and most artistic manner, which my many years, London, Eng., and other long experience enables me to do.

I append a short list of my principal works, together with patrons' names, at the same time mentioning that at the Montreal Exhibition, 1891, I obtained a Diploma (the highest award given) for Carved Oak Mantel.
